Technical & Commercial Offer

For Tablet Hardness Tester (HTDS-3P)

Description:

Tablet hardness testers determine the force needed to break a tablet, ensuring consistent quality and performance by measuring the tablet's resistance.

Our Tablet Hardness Tester (Model: HTDS-3P) measures the Thickness, Diameter, and Hardness of tablets size up to 45mm in diameter.

FEATURES:

- Accurately measure the thickness, diameter (Accuracy 0.02 mm), and hardness (Accuracy 10 grams) of tablets.
- Menu-driven interface with a PC-compatible keyboard and a 20x4 character LCD Display.
- Units of Hardness measurement: Newton(N), Kilopond(Kp), Strong Cobb(Sc) & User defined.
- Precise positioning of samples accommodates any shape tablet up to 45 mm in diameter (length)
- 100 different product recipes can be created, stored, and recalled
- Three-Level Password protection as per 21 CFR Part 11 compliance
- Settable sample size up to 100 valid samples per test.
- Simple and easy calibration verification (Validation) with a certified 10 mm gauge block for distance parameters and a 5 Kg weight for hardness parameters.
- Parallel Printer Port & RS232 Interface for taking hard copies of the test report.
- IQ/OQ Documents.

Specifications:

- **Display** : 20x4 LCD Display with backlit
- **Operation** : Front Operating Panel & PC Compatible Keyboard
- **Parameter** : Thickness: 0.1mm to 20 mm Diameter: 0.1 mm to 45 mm Hardness: 3 N to 500 N
- **Interfaces** : PC-Compatible Keyboard & parallel printer (Epson Dot Matrix Lx 310) Interface
- **Power** : 230C AC/50Hz/3 Amps(Or) 110V AC/60Hz/3 Amps (Optional)

Commercial Offer:

S.No	Description	Qty	Price (INR)
01	Tablet Hardness Tester (HTDS-3P) Standard Accessories: • Basic Unit • Sample Collection Tray • Calibration and Validation Plate • Cleaning Brush • Mains Cord • Printer Cord • RS 232 Cord • Operating Manual	1	Rs. 1,28,500/-
02	Installation Qualification and Operational Qualification Documents	1	Rs. 3,500/-

Technical & Commercial Offer

For Tablet Disintegration Tester (Model: RDT-2)

Description:

The RDT-2 is a cutting-edge instrument designed for pharmaceutical quality control and research. It accurately evaluates tablet disintegration time, meeting IP, USP, BP, and Ph. Eur. standards. With dual batch testing, user-friendly controls, and flexible programming, it ensures efficiency and precision. Its stainless-steel housing ensures GMP compliance and seamless integration into lab settings. The RDT-2 offers reliability, accuracy, and compliance for comprehensive tablet formulation assessment.

FEATURES:

- Dual Drive with 2 test baskets.
- Compliance with USP, EP, and other pharmacopoeia.
- Compact design with splash-proof screen.
- 7 inches touch screen with multicolour.
- Quick release basket and auto-parking.
- Inbuilt validation of strokes per minute.
- Safety features, bath illumination.
- External probe for temperature validation.
- Printer port, RS 232 interface for reports
- Password protection for Real-Time Clock
- Recipe Creation Facility: Up to 150 recipes can be created and stored.
- Three Level Password Security with unique User ID: Admin – 50 Users, Supervisor – 50 Users, User – 50 Users
- Inbuilt Thermal Printer and External Dot Matrix Printer Connectivity (LX310 Dot Matrix).
- Storage Capacity: Can store up to 1500 reports. Reports can be exported individually or collectively through USB Pen Drive directly connected to the machine.

- External Wireless Keyboard and Mouse can also be connected through USB connectivity.
- IQ/OQ documents.

Specifications:

- **Temperature** : Ambient to 50°C, $\pm 0.3^\circ\text{C}$ accuracy.
- **Timer Range** : 00:00:01 to 99:59:59
- **Stroke/Min** : 30 strokes/min, 55mm stroke height.
- **Heating** : Bathless Heating System
- **Power** : 230V AC ~ 50 Hz 2A (110V AC ~ 60 Hz 2A on request)

Commercial Offer:

S.No	Description	Qty	Price (INR)
01	Tablet Disintegration Tester (Model: RDT-2) Standard Accessories: • Basic Unit • 1000ml Glass Beaker • Standard Basket Rack Assembly with Six tubes • Tank with Heater Beaker Stand • Guided disc set (Each set 6) • P.T.100 Sensor • Mains Cord • Printer Cord • RS 232 Cord • Circulation Pump	1	Rs. 1,35,000/-
02	Inatallation Qualification and Operational Qualification Documents	1	Rs. 3,500/-

Terms And Conditions:

- Taxes: 18% GST extra applicable
- Packaging & Forwarding: Extra As Applicable
- Freight: To Pay / Extra as applicable
- DELIVERY: We deliver the order in 3-4 Weeks from the date of receipt of purchase order
- INSTALLATION: Fees extra as applicable
- PAYMENT: 100% payment at the time of proforma invoice prior to dispatch.
- WARRANTY: One year warranty from the date of dispatch
- GOVERNING LAW: These Terms and Conditions and any action related hereto shall be governed, controlled, interpreted and defined by and under the laws of the State of Telangana
- MODIFICATION: Any modification of these Terms and Conditions shall be valid only if it is in writing and signed by the authorized representatives of both Supplier and Customer.
